FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Submitted for Review and Approval to the Office of Management and Budget

[3060-1198]

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to

comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If

you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via Internet at Nicholas_A._Fraser@omb.eop.gov and to Benish Shah, Federal Communications Commission, via the Internet at Benish.Shah@fcc.gov. To submit your PRA comments by email send them to: PRA@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Benish Shah, Office of Managing Director, (202) 418-7866.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-1198.

Title: Band Plan.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities, and state, local, or tribal government.

Number of Respondents: 2,283 respondents; 2,283 responses.

Estimated Time per Response: 1 hour (range of 1 to 2 hours).

Frequency of Response: On occasion reporting and one-time reporting requirements; third party

disclosure.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for these collections are contained in sections 4(i), 11, 303(g), 303(r), and 332(c)(7) of the Communications Act of 1934, as amended, 47 U.S.C. sections 154(i), 161, 303(g), 303(r), 332(c)(7), unless otherwise noted.

Total Annual Burden: 2,336 hours.

Total Annual Cost: None.

Privacy Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: Section 90.531(b)(2) of the Commission's rules provides that narrowband reserve channels are designated for General Use subject to Commission approved regional planning committee regional plans and technical rules applicable to General Use channels. T-Band incumbents shall enjoy priority access to these channels in certain markets provided that such incumbent commits to return to the Commission an equal amount of T-Band spectrum and obtains concurrence from the relevant regional planning committee(s). Section 90.531(b)(7) of the Commission's rules reserves certain narrowband channels for air-ground communications to be used by low-altitude aircraft and ground based stations subject to state administration (*e.g.* letter of concurrence).

Commission staff will use the information to assign licenses for narrowband public safety channels. The information will also be used to determine whether prospective licensees operate in compliance with the Commission's rules. Without such information, the Commission could not accommodate State interoperability or regional planning requirements or provide for the efficient use of narrowband public safety frequencies. This information collection includes rules to govern the operation and licensing of 700 MHz band systems to ensure that licensees continue to fulfill their statutory responsibilities in accordance with the Communications Act of 1934, as

amended. Such information will continue to be used to verify that applicants are legally and technically qualified to hold licenses, and to determine compliance with Commission rules.

FEDERAL COMMUNICATIONS COMMISSION.
